

If you attend Brookfield High School, and need help preparing for a test or assignment, or are working on something in particular, I would be happy to give you some FREE assistance. Just let Mr. St. Georges know that you would like to take advantage of this offer and we can schedule a time to meet on Skype or FaceTime. As long as you have a good Wifi connection the process is very simple and works well. I look forward to meeting you and helping you on your drumming journey.
